### Accucoms

Stand: 13

Contact: Egon Menardi

Email: egon.menardi@accucoms.com

Website: www.accucoms.com

Accucoms is the leading provider of sales and marketing services to academic and professional publishers around the world.

We offer a range of services that include: direct marketing, telemarketing, sales representation and support, market research and customer service. We are an independent company, backed by some of the industry's leading strategic thinkers. Our multilingual team has an in-depth knowledge of the complex interactions between publishers, subscription agents, librarians, readers and authors. Our local language skills and knowledge of cultural differences means that we offer a uniquely tailored service, much valued by the library community.

### ACS Publications

Stand: 10

Contact: Andrew Pitts

Email: a\_pitts@acs.org

Website: http://pubs.acs.org

The Publications Division of the American Chemical Society provides the worldwide scientific community with a comprehensive collection of the most cited peer-reviewed journals in the chemical and related sciences. ACS Publications offers 38 prestigious journals in addition to its weekly newsmagazine covering the chemical enterprise, C&EN. With the ACS Journal Archives, ACS Publications provide searchable access to over 130 years of original research in chemistry, including more than 750,000 articles contained in 3 million plus pages of chemistry findings, dating back to the introduction of the *Journal of the American Chemical Society* in 1879.

### Adam Matthew Digital

Stand: 3

Contact: Ben Cartwright

Email: ben@amdigital.co.uk

Website: www.amdigital.co.uk

Adam Matthew Digital works with leading libraries and archives around the world, digitising rare primary sources and making them available in powerful and well-designed online teaching and research resources. These allow access to documents covering a variety of themes in world history and literature, and include accompanying further resources such as scholarly essays, maps, visuals and slideshows. Our collections make available manuscripts and rare printed sources that are both detailed enough for scholarly research and accessible enough for undergraduate use. We work closely with the global academic community and have excellent relationships with leading scholars, librarians and archivists.

### Advantage

Stand: 54

Contact: Dan Heffernan

Email: dheff@advantagecs.com

Website: advantageCS.com

Advantage – world-class marketing, product management, processing, distribution and analytics software solutions for publishers.

Leading publishers worldwide rely on Advantage for: digital access, print-on-demand & e-products, consortia sales management, powerful business intelligence, multi-product brand extension, e-commerce and multi-channel sales, membership and donation management, global audience engagement, multi-currency, multi-local taxing, address cleansing and payment, order entry, fulfillment, distribution and customer service, conference and event management, multi-lingual interface, and high availability.

Advantage can transform your business to adapt to the rapidly changing media environment. Our change-management experts will help you achieve the highest level of productivity.

### Alexander Street Press

Stand: 9

Contact: Eileen Lawrence

Email: lawrence@alexanderstreet.com

Website: www.alexanderstreet.com

ALEXANDER STREET PRESS

Alexander Street Press is a leading publisher of online databases. We build the best possible collections within the following disciplines - Counseling and Therapy (text and video), Music (listening and reference), Performing Arts, Drama, Film, Social and Cultural History (including Personal Narratives, Primary Sources, History in Video and more), Social Theory, and Literature. We also have specialised collections in Religion, Women's History, Indigenous and Black studies.

### American Institute of Physics

**Stand:** 42  
**Contact:** Paul Lurie  
**Email:** [plurie@aip.org](mailto:plurie@aip.org)  
**Website:** [www.aip.org](http://www.aip.org)

AIP is the publisher or co-publisher of two magazines, AIP Conference Proceedings, and 12 of the world's most highly cited physical science journals.

Visit us at Stand 42 to learn about AIP UniPHY, our PROSE Award winning new professional networking site, and about our newest online publication, Journal of Renewable and Sustainable Energy. We're also offering online subscriptions for Physics Today and for AIP Conference Proceedings, both available back to their first volumes. Also ask about our COUNTER-compliant usage statistics service, and how AIP consortia licensing can help you provide access to more than 100 journals from 20 leading scholarly publishers.

### American Medical Association

**Stand:** 24  
**Contact:** Gretchen Linder  
**Email:** [Gretchen.Linder@ama-assn.org](mailto:Gretchen.Linder@ama-assn.org)  
**Website:** <https://pubs@ama-assn.org>

JAMA & Archives Journals cover the latest developments in clinical medicine. Each title is among the most respected, highly relevant, and often cited in its field. These peer-reviewed journals are available in print or through a company-wide site license, which offers many advantages, both to librarians and to end users. Also available are the JAMA & Archives Backfiles, which include every issue of JAMA and the Archives Journals from 1997 back to the first issue of JAMA in 1883.

### American Psychiatric Publishing Inc. psychiatryonline.com

*Lifelong Learning in Psychiatry™*

**Stand:** 83  
**Contact:** Trang Smith  
**Email:** [tsmith@psych.org](mailto:tsmith@psych.org)  
**Website:** [www.PsychiatryOnline.com](http://www.PsychiatryOnline.com)

PsychiatryOnline.com—a state-of-the-art website offering access to the most trusted and reliable psychiatric references for patient diagnosis, treatment, research, and professional development and lifelong learning, including DSM-IV-TR® and American Journal of Psychiatry. Featuring search, navigation, and cross-referencing tools custom-designed for psychiatrists. Visit [www.psychiatryonline.com](http://www.psychiatryonline.com)

### Annual Reviews

**Stand:** 28  
**Contact:** Jenni Rankin  
**Email:** [sitelicense@annualreviews.org](mailto:sitelicense@annualreviews.org)

Annual Reviews provides critical, authoritative reviews by leading scientists within 40 essential disciplines in the Biomedical, Life, Physical and Social Sciences, including Economics. Site licenses are available for both current and

back volume content and include permanent data rights to subscribed content. NESLi2 pricing available.

New Annual Reviews journals include:  
 Food Science and Technology (March 2010)  
 Chemical and Biomolecular Engineering (July 2010)  
 Condensed Matter Physics (August 2010)

Annual Reviews  
 4139 El Camino Way  
 Palo Alto, CA 94306 USA  
 Phone: 650-493-4400 (Worldwide)  
 Fax: 650-424-0910  
 Email: [sitelicense@annualreviews.org](mailto:sitelicense@annualreviews.org)

### BioMed Central

**Stand:** 32  
**Contact:** Alexander Christoforou  
**Email:** [institutions@biomedcentral.com](mailto:institutions@biomedcentral.com)  
**Website:** [www.biomedcentral.com](http://www.biomedcentral.com)

BioMed Central is the open access publisher of 200+ peer-reviewed journals and a number of subscription services including a Membership program that allows institutions to support open access in scholarly publishing.

Additionally, we offer a reliable and cost-effective repository solution for your entire community called Open Repository. This outsource DSpace solution builds and maintains repositories on behalf of organizations, with clients including Manchester Metropolitan and Roehampton Universities.

Visit BioMed Central at stand #32 to find out more about all our products and services and to be in with a chance to win an iPod Nano!

### BioOne

**Stand:** 59  
**Contact:** Steve Smith  
**Email:** [steve.smith@bioone.org](mailto:steve.smith@bioone.org)  
**Website:** [www.bioone.org](http://www.bioone.org)

BioOne is a not-for-profit organisation which offers a 160-journal fulltext database, which includes content from many leading academic societies in the Biological Sciences. It is one of the five JISC "Knowledge Exchange" vendors, and currently offers UK institutions a 40% discount as part of this scheme. Come and see us at the stand for more details.

### Blackwell

**Stand:** 14  
**Contact:** Mark Weller  
**Email:** [sales@blackwell.co.uk](mailto:sales@blackwell.co.uk)  
**Website:** [www.blackwell.co.uk/libraryservices](http://www.blackwell.co.uk/libraryservices)

Blackwell is a leading provider of books, eBooks and bibliographic support products to the foremost academic, research and public libraries throughout the UK and Europe. It is the market leader in combining traditional bookselling expertise with the latest developments in library technology. Special offers are regularly promoted to customers giving great savings on pre-publication prices, normally at prices exclusive to Blackwell. Blackwell offer a cataloguing, physical processing and shelf-ready service on its books

and can support library acquisitions with Collection Manager, new title announcements and Blackwell Recommends, its monthly brochure of new and upcoming titles. For more information go to [www.blackwell.co.uk/libraryservices](http://www.blackwell.co.uk/libraryservices)

## BMJ

**Stand:** 21

**Contact:** Rachel Collier

**Email:** [rcollier@bmjgroup.com](mailto:rcollier@bmjgroup.com)

**Website:** <http://group.bmj.com>

A world leading provider of trusted medical information and services, BMJ Group is committed to supporting the highest standards of practice in healthcare through our product portfolio.

These offerings combine to provide the medical community with a comprehensive information support system aimed at improving standards while also inspiring innovative thinking and new ideas.

Visit stand 21 to find out about the products and services BMJ Group can provide your medical institution.

## Bowker

**Stand:** 73

**Contact:** Rebecca Holmberg

**Email:** [Rebecca.Holmberg@proquest.co.uk](mailto:Rebecca.Holmberg@proquest.co.uk)

**Website:** [www.proquest.com](http://www.proquest.com)

Bowker provides libraries with bibliographic, reader's advisory, collection development and analysis tools. Our products include the new BooksInPrint.com 2.0 featuring GlobalBooksInPrint.com, Resources for College Libraries and Bowker's Book Analysis System. Bowker also provides a catalogue enrichment service through Syndetic Solutions and is the worldwide distributor for LibraryThing for Libraries.

This is an online service and social networking facility that gives users exciting new content, including recommendations, tag clouds, and the ability to write reviews. It enriches library online catalogues with the power and fun of Web 2.0, allowing users to browse, search and engage in new, powerful ways.

## Brepols Publishers

**Stand:** 5

**Contact:** Hans Deraeve

**Email:** [info@brepols.net](mailto:info@brepols.net)

**Website:** [www.brepols.net](http://www.brepols.net)

Brepols Publishers is an academic publisher in the humanities with a strong tradition in the field of medieval history, art history and Latin, Greek and Oriental literature.

BREPOL is the home of all online projects of Brepols Publishers and its partners.

Visit [couttsinfo.com](http://couttsinfo.com) for more information.

### Credo

Stand: 12

Contact: Anne Kail

Email: [anne.kail@credoreference.com](mailto:anne.kail@credoreference.com)

Website: [www.credoreference.com](http://www.credoreference.com)

**CREDO**  
reference

Offering over 450 full-text titles across all subjects from 70 of the world's best reference publishers, Credo's content continues to grow and to earn outstanding reviews (Library Journal e-views 26/1/2010: "Credo's Got My Attention, Again!").

Publisher Collections, coming soon, will offer librarians specialised content for subscription or perpetual access.

Credo's innovative technology and intuitive interface provide context and relevant results, and Credo will be unveiling their new Topic Pages at UKSG: a new feature offering even tighter integration with your library catalogue, selected online resources and journals, and which will enrich the research process for your users.

### Dawson Books

Stand: 26

Contact: Steven Welch

Email: [steven.welch@dawsonbooks.co.uk](mailto:steven.welch@dawsonbooks.co.uk)

Website: [www.dawsonbooks.co.uk](http://www.dawsonbooks.co.uk)

Dawson Books provides libraries across the world with a fully integrated service for the supply of all books and media, whether print or 'e'.

- dawsonenter has been developed after extensive research with librarians to meet the requirements of today's library world. Search for print, ebooks, out-of-print books and place orders on-line, through your library management system or by traditional methods for speedy and accurate supply.
- dawsonera, the ground-breaking eContent delivery platform gives you control to build a tailored collection of ebooks from a collection of 125,000 titles from 275 publishers.

Meet the Dawson team on stand 26 to discuss our extensive services.

### De Gruyter

Stand: 74

Contact: Nils Andenaes

Email: [nils.andenaes@degruyter.com](mailto:nils.andenaes@degruyter.com)

Website: [www.degruyter.com](http://www.degruyter.com)

For more than two-hundred and sixty years the name De Gruyter has been synonymous with high-quality, landmark publishing in the humanities and natural sciences. The scope of our publishing program includes theology and philosophy, biology and chemistry, linguistics and literature, mathematics and physics, history and archaeology, as well as law and medicine. In all these areas De Gruyter has consistently worked with leading scholars to establish itself as a key high quality international publisher. Since 2008 our eBooks – together with our eJournals and our databases - are available on our integrated online platform ReferenceGlobal, each year approximately 800 new titles will be added to the platform.

### DHL Global Mail

Stand: 1

Contact: Amy Collins

Email: [a.collins@dhlglobalmail.co.uk](mailto:a.collins@dhlglobalmail.co.uk)

Website: [www.dhl-globalmail.com](http://www.dhl-globalmail.com)

With DHL Global Mail, you can always be assured that the journals, books, renewal and promotional mailings you print will reach their readers safely and cost effectively. We provide customised mail solutions for your publications and printed matter, connecting you to your readers and subscribers all over the world. Our dedicated Publishing Team has over 30 years' experience working with publishers large and small. Supporting clients in over 200 countries from 32 offices worldwide, EBSCO offers one solution for all their information needs plus, with more than 50% of subscriptions handled by EBSCO containing an electronic component, we are recognized as the industry's "e" agent and are renowned for our impeccable financial credentials, attested by a Dun & Bradstreet rating of 5A1.

### EDINA

**Stand:** 80  
**Contact:** Andrew Bevan  
**Email:** edina@ed.ac.uk  
**Website:** <http://edina.ac.uk>

EDINA is the JISC national academic data centre based at the University of Edinburgh. Our mission is to enhance the productivity of research, learning and teaching across universities, research institutes and colleges in the UK. We do this by delivering first-rate online services, working with support staff at those institutions and with partners in the academic community and beyond.

Our current portfolio includes SUNCAT, the UK national serials union catalogue, and The Depot, an eprints repository.

We are also involved in a number of R&D projects, especially in the serials area e.g. PECAN and PEPRS examining issues surrounding long-term access.

### Eduserv

**Stand:** 7  
**Contact:** Andrew Tavener  
**Email:** andrew.tavener@eduserv.org.uk  
**Website:** www.eduserv.org.uk

We are dedicated to developing technology services for education and the public sector. We are a not-for-profit organisation and registered charity, governed by a board of Trustees. We fulfil our charitable mission by providing services for the public benefit.

- Access and Identity Management: Secure single sign-on access to protected online resources.
- Licence Negotiation: Negotiating preferential terms, conditions and prices for software and data product licences on behalf of universities and colleges.
- Web hosting: Secure, resilient, and energy efficient hosting services for government and education.
- Web content management and development: Interactive, accessible and user-friendly websites.

## Elsevier

**Stand:** 69 & 71  
**Contact:** Chris James  
**Email:** CD.James@elsevier.com  
**Website:** www.elsevier.com

Since 1580 Elsevier has published content for the higher education and research community, making it available via platforms such as ScienceDirect, known globally for its reliability and innovative approach to science.

Scopus, our navigational tool covering the world's largest collection of abstracts, references and indexes of STM literature. SciVal Spotlight and Funding complement our product portfolio by providing bibliometric and funding data at your fingertips.

These services significantly contribute to the research-productivity of the scientists and enrich their collections, whilst saving space and time searching for suitable content.

For more information please visit our stand or alternatively [www.elsevier.com](http://www.elsevier.com)

**Contact:** Colin Carter  
**Email:** ccarter@iii.com  
**Website:** www.iii.com

Innovative Interfaces (www.iii.com) dedicates its energies to meeting the needs of libraries and the challenges of library automation. The company has fulfilled this mission with first-rate services and products such as the Millennium integrated library platform, the INN-Reach direct consortial borrowing solution, Electronic Resource Management, and the Encore discovery services platform. Innovative is committed to providing complete library solutions for the entire world, with installations in the Americas, Africa, Asia, Europe, Oceania, and the Middle East. The company is headquartered in Emeryville, California.

### Institution of Civil Engineers (ICE)

**Stand:** 44

**Contact:** Jason Miller

**Email:** jason.miller@ice.org

**Website:** www.icevirtuallibrary.com

The Institution of Civil Engineers (ICE), founded in 1818, is a charity that exists to promote and progress civil engineering. The ICE Virtual Library (www.icevirtuallibrary.com) is the most comprehensive civil engineering resource in civil engineering, delivering 23 leading journals, a new range of over 340 ebooks and previously undigitized archives for major journals such as Géotechnique and Magazine of Concrete Research. From 2010, COUNTER3 reports and MARC records will be available to library customers, as well as Shibboleth and Athens authentication for universities. For more information or pricing enquiries, contact Publishing Sales Manager Neil Byrne, at neil.byrne@ice.org.uk

### IOP Publishing

**Stand:** 31

**Contact:** Yann Amouroux

**Email:** yann.amouroux@iop.org

**Website:** publishing.iop.org

IOP Publishing is a not for profit company wholly owned by the Institute of Physics. Our publishing activity, which dates back to 1874, includes journals, magazines and community websites.

Visit stand 31 at UKSG to meet the IOP Publishing team, and find out about IOPscience, our new online service for journal content. It contains more than 300,000 articles from 1874 to the present day, and gives you easy access to scientific, technical and medical content. Content has been organized by over 6,000 subject classifications. Visit the stand to see a demonstration, or to register for a free trial.

### Mimas

**Stand:** 19

**Email:** info@mimas.ac.uk

**Website:** mimas.ac.uk

Mimas is an organisation of experts. Our role is to support the advancement of knowledge, powering world-class research and teaching.

As a nationally designated data centre based at The University of Manchester, we host a significant number of the UK's research information assets – and build applications to help people make the most of this rich resource.

We have a longstanding relationship with JISC, developing services that support teaching, learning and research, and strong connections with research councils, especially the ESRC.

We also partner with commercial groups, universities and colleges, government agencies, and national libraries and archives.

### MIT Press Journals

**Stand:** 39

**Contact:** Nick Lindsay

**Email:** nlindsay@mit.edu

**Website:** http://mitpressjournals.org

MIT Press Journals is a mission-driven, not-for-profit scholarly publisher devoted to the widest dissemination of its content. The MIT Press founded the Journals branch in 1969, publishing its first two quarterlies shortly after. Today, Journals publishes more than thirty titles, frequently adding select publications of long-standing repute or innovative, fresh material to its current list. MIT Press Journals, among the first university presses to offer its titles online, delivers content in print and electronic formats, covering a wide range of disciplines including the arts and humanities, social sciences, and specialized areas of science and technology.

### Nature Publishing Group (NPG)

**Stand:** 40

**Contact:** Jessica Rutt

**Email:** institutions@nature.com

**Website:** www.nature.com

Nature Publishing Group (NPG) publishes high impact scientific and medical information in print and online. Our portfolio includes the leading weekly scientific journal Nature, the Nature research and Nature Reviews journals, over 30 prestigious academic publications, online databases and services. Scientific American became part of NPG in 2009.

Palgrave Macmillan is a global academic publisher, serving learning and scholarship in higher education and the professional world. We publish textbooks, journals, monographs, professional and reference works in print and online. Our programme focuses on Humanities, Social Sciences and Business, and we are the market-leading publisher of study skills resources.

### OCLC

**Stand:** 8

**Contact:** Andrew Evans / Phil Coles

**Email:** uk@oclc.org

**Website:** www.oclc.org

Founded in 1967, OCLC is a non-profit, membership, computer library service and research organisation dedicated to the public purposes of furthering access to the world's information and reducing library costs. More than 72,000 libraries in 112 countries have used OCLC services to locate, acquire, catalogue, lend, preserve and manage library materials. Researchers, students, scholars, professional librarians and other information seekers use OCLC to obtain bibliographic, abstract and full-text information when and where they need it. OCLC and its member libraries cooperatively produce and maintain WorldCat, the world's largest online database for discovery of library resources. For more information visit www.oclc.org

## OECD

**Stand:** 67  
**Contact:** Michel Guinand  
**Email:** michel.guinand@oecd.org  
**Website:** www.oecdilibrary.org

For more than 40 years, OECD has been one of the world's largest and most reliable sources of comparable statistics and economic and social data. As well as collecting data, OECD monitors trends, analyses and forecasts economic developments and researches social changes or evolving patterns in trade, environment, agriculture, technology, taxation and many more.

OECD provides a setting where its 31 member countries and governments from around the world compare policy experiences, seek answers to common problems, identify good practice and coordinate domestic and international policies.

## Oxford University Press

**Stand:** 75 & 77  
**Contact:** Matthew Howells  
**Email:** library.sales@oxfordjournals.org  
**Website:** www.oup.com

Oxford University Press is a department of the University of Oxford. It furthers the University's objective of excellence in research, scholarship, and education by publishing worldwide. In addition to publishing over 4,600 new books each year, Oxford University Press is a major provider of online information to libraries and individuals worldwide. Oxford Journals, a Division of Oxford University Press, publishes well over 220 journals, two-thirds of which are published in collaboration with learned societies and other international organizations.

## Portland Press Limited

**Stand:** 60  
**Contact:** Kerry Cole  
**Email:** kerry.cole@portlandpress.com  
**Website:** www.portlandpress.com

Portland Press Limited is an innovative publisher of journals, books and electronic resources in the biochemical, cellular and molecular life sciences. As a not-for-profit publisher, the surplus from the sale of our publications is returned to the scientific community via the activities of the Biochemical Society.

NEW - Portland Press Limited now publishes Cell Biology International on behalf of the International Federation for Cell Biology.

NEW - See a demonstration of the Semantic Biochemical Journal in action and find out more about the next stages of our exciting project.

Come along and meet us to discuss how our licenses represent excellent value with access to a wealth of groundbreaking original research and authoritative reviews.

## Prenax

**Stand:** 18  
**Contact:** Simon Jackson  
**Email:** simon.jackson@prenax.co.uk  
**Website:** www.prenax.co.uk

Prenax is pleased to be represented at this year's UKSG, as an exhibitor and with two delegates to the conference.

Our Academic and College library business continues to grow and we are now in our third year as recommended journal subscription suppliers to the London Purchasing Consortia, for both print and electronic titles.

All our operations and processing are conducted from our offices in the UK including our Consolidation services.

Please find time to visit our stand number 18 and to view our online facilities which are second to none; and to meet with Tony Roche and Simon Jackson.

## Professional Engineering Publishing Ltd (PEP)

**Stand:** 49  
**Contact:** Mark Lord  
**Email:** markl@pepublishing.com  
**Website:** www.pepublishing.com

Professional Engineering Publishing Ltd (PEP) is a world-leading provider of journals, magazines, electronic products and publishing services. PEP is wholly-owned by the Institution of Mechanical Engineers, the fastest growing professional engineering institution in the UK.

PEP publishes 18 journals that make up the IMechE Journals Collection, as well as the IMechE Proceedings Archive 1847-1996 and three magazines for professional engineers.

In 2010 PEP is for the first time offering an Online Only subscription price. For members of JISC there are special offers available for both subscription to the IMechE Journals Collection and outright purchase of the IMechE Proceedings Archive 1847-1996.

More information on our current offerings and our future plans can be found at [www.pepublishing.com](http://www.pepublishing.com) or our blog at <http://acadblog.pepublishing.com>. You can also follow Professional Engineering Publishing on Twitter, Facebook and LinkedIn.

## ProQuest

**Stand:** 56  
**Contact:** Claudia Reyland  
**Email:** marketing@proquest.co.uk  
**Website:** www.proquest.com

ProQuest creates specialised information resources and technologies that propel successful research and lifelong learning. A global leader in serving libraries of all types, ProQuest offers the culmination of experience from many respected brands, including CSA, UMI, Chadwyck-Healey, SIRS, and eLibrary. With Serials Solutions, Ulrich's, RefWorks/COS, and Dialog LLC and Bowker now in the ProQuest brand family, the company continues to build on its legacy of responsive people in partnership with librarians.

## Publishing Technology

**Stand:** 22

**Contact:** Anna Lister Cheese

**Email:** [info@publishingtechnology.com](mailto:info@publishingtechnology.com)

**Website:** [www.publishingtechnology.com](http://www.publishingtechnology.com)

Publishing Technology is the largest supplier of technology and related services to the publishing industry. Its brands include IngentaConnect, pub2web, PCG, advance (the 21st century replacement for Vista), author2reader and ICS.

Publishing Technology partner with information providers of any size, discipline, or technical literacy helping them to capitalise on the full potential of their content in the digital environment and increase efficiency throughout their publishing processes. Market-leading technologies and integrated services are differentiated by the scope of publishing issues they address, and this customised cutting-edge approach delivers support to eight of the ten of the largest publishers in the world.

## RefWorks-COS

**Stand:** 57

**Contact:** Claudia Reyland

**Email:** [marketing@proquest.co.uk](mailto:marketing@proquest.co.uk)

**Website:** [www.proquest.com](http://www.proquest.com)

RefWorks-COS provides tools and services for every phase of research, from discovering the very latest developments, finding grants, identifying collaborators and thought leaders, managing research information, sharing resources, writing papers, or locating opportunities to present or publish findings.

RefWorks-COS is pleased to introduce the user interface, RefWorks 2.0! Initially launched in Beta, RefWorks 2.0 presents its renowned research management, writing and collaboration services in an intuitive streamlined interface. The new web 2.0 interface uses modern user interface design to make all of RefWorks' valuable features easier to use including collaboration using RefShare, ability to manage all information types, and much more!

## Research Information Network

**Stand:** 81

**Contact:** Sarah Gentleman

**Email:** [contact@rin.ac.uk](mailto:contact@rin.ac.uk)

**Website:** [www.rin.ac.uk](http://www.rin.ac.uk)

The Research Information Network has been established by the higher education funding councils, the research councils, and the UK national libraries. We investigate how efficient and effective the information services provided for the UK research community are, how they are changing, and how they might be improved for the future. We help to ensure that researchers in the UK benefit from world-leading information services, so that they can sustain their position as among the most successful and productive researchers in the world.

## Royal Society of Medicine Press

**Stand:** 23

**Contact:** Ian Jones

**Email:** [rsmjournals@rsm.ac.uk](mailto:rsmjournals@rsm.ac.uk)

**Website:** [rsmjournals.com](http://rsmjournals.com)

The Royal Society of Medicine Press is the publishing arm of the Royal Society of Medicine, a major international medical society with a multi-disciplinary and multi-professional membership. RSM Press is now recognised as one of the leading medical society publishers, publishing books and journals for clinical professionals and academics in related biomedical fields. Our journals cover a wide range of topics, from sexual health and tropical medicine to telemedicine and medical screening. All our journals are available online through HighWire, with an extensive back archive and online first articles. Please visit our booth (nb 23) to be entered into a prize draw to get a chance to win the latest Kindle or a £130 Amazon voucher!

## RSC Publishing

**Stand:** 41

**Contact:** Lesley Maw

**Email:** [sales@rsc.org](mailto:sales@rsc.org)

## RSC Publishing

With leading high impact journals, cutting-edge books and an innovative new website, RSC Publishing is the success story at the forefront of the chemical sciences. Be a part of this story - join us at booth #41 to discuss your RSC account, learn about new journal packages, browse the website, and find out more about ChemSpider, the free online structure centric community for chemists.

## SAGE

**Stand:** 66 & 68

**Contact:** Vicki Ellison

**Email:** [market@sagepub.co.uk](mailto:market@sagepub.co.uk)

**Website:** [www.sagepub.co.uk](http://www.sagepub.co.uk)

SAGE is a leading international publisher of journals, books, and electronic media for academic, educational, and professional markets. Since 1965, SAGE has helped inform and educate a global community of scholars, practitioners, researchers, and students spanning a wide range of subject areas including business, humanities, social sciences, and science, technology and medicine. An independent company, SAGE has principal offices in Los Angeles, London, New Delhi, Singapore and Washington DC. [www.sagepub.co.uk](http://www.sagepub.co.uk)

## Serials Solutions

**Stand:** 72

**Contact:** Rebecca Holmberg

**Email:** [Rebecca.Holmberg@proquest.co.uk](mailto:Rebecca.Holmberg@proquest.co.uk)

**Website:** [www.proquest.com](http://www.proquest.com)

## Serials Solutions®

As the nature of library collections has changed, Serials Solutions has changed the way people use and manage electronic resources for research. In 2000, librarian Peter McCracken started Serials Solutions to help libraries

control their constantly changing electronic collections. It is a company founded by a librarian for librarians.

Today, Serials Solutions offers a complete and integrated e-resource access and management solution that enables libraries to provide the best research experiences for patrons.

Now you can take advantage of data, access, management, and assessment tools that have been designed using consistent software architecture, developed from the ground up to work together, and delivered using state-of-the-art Software as a Service (SaaS) technology.

### SPIE Digital Library

**Stand:** 46

**Contact:** Marybeth Manning

**Email:** marybeth@spie.org

**Website:** <http://dlinfo.org/>

The SPIE Digital Library includes eBooks and over 285,000 technical papers from SPIE Journals and Conference Proceedings—from 1990 to present—in cutting edge technologies spanning biophotonics, nanotechnology, sensors, lasers, electro-optics, communications, and imaging.

SPIE is the international society for optics and photonics founded in 1955 to advance light-based technologies. Serving more than 188,000 constituents from 138 countries, the Society advances emerging technologies through interdisciplinary information exchange, continuing education, publications, patent precedent, and career and professional growth. SPIE annually organizes and sponsors approximately 25 major technical forums, exhibitions, and education programs in North America, Europe, Asia, and the South Pacific.

### Springer (STM)

**Stand:** 16 & 17

**Contact:** Nicola Klupsch

**Email:** nicola.klupsch@springer.com

**Website:** [www.springer.com](http://www.springer.com)

Springer ([www.springer.com](http://www.springer.com)) is the second-largest publisher of journals in the science, technology, and medicine (STM) sector and the largest publisher of STM books. It publishes on behalf of more than 300 academic associations and professional societies. Springer is part of Springer Science+Business Media, one of the world's leading suppliers of scientific and specialist literature. The group publishes over 1,700 journals and more than 5,500 new books a year, as well as the largest STM eBook Collection worldwide. Springer has operations in over 20 countries in Europe, the USA, and Asia, and some 5,000 employees.

### Swets

**Stand:** 35 & 37

**Contact:** Lucy McBride

**Email:** [info@uk.swets.com](mailto:info@uk.swets.com)

**Website:** [www.swets.com](http://www.swets.com)

Swets is the world's leading subscription services company. We build on more than 105 years of experience to maximize the return on investments in time and money for clients and publishers in today's complex information

marketplace. With clients in over 160 countries and more than twenty offices around the world, Swets is a true "long tail" powerhouse that provides the most comprehensive and sophisticated e-commerce platform currently available in its field. For further information please visit [www.swets.com](http://www.swets.com)

### Taylor & Francis Group

**Stand:** 70

**Contact:** Lan Murdock

**Email:** [lan.murdock@tandf.co.uk](mailto:lan.murdock@tandf.co.uk)

**Website:** [www.tandf.co.uk/journals](http://www.tandf.co.uk/journals)

Taylor & Francis Group is one of the world's leading academic publishers. Taylor & Francis Group publishes over 1,500 journals encompassing Arts, Humanities, Social, Behavioral, Physical, Environmental and Material Sciences, Mathematics and Engineering under the imprints of Taylor & Francis, Routledge and Psychology Press. Our innovative range of online products includes reference works, ejournals, abstracting databases and over 17,000 eBooks. Online content is available via [informaworld](http://informaworld) which brings together all the electronic resources of Taylor & Francis Group in one searchable interface.

For more information about our products and services visit:

[www.tandf.co.uk/journals](http://www.tandf.co.uk/journals)

### The British Library

**Stand:** 61

**Contact:** Barry Smith

**Email:** [marketing@bl.uk](mailto:marketing@bl.uk)

**Website:** [www.bl.uk/articles](http://www.bl.uk/articles)

The British Library is the world's number one document supplier for both popular and harder to find research materials. We are constantly developing our services to give better access to the collection. Talk to us at UKSG 2010 to find out more about our services, projects and partnerships with academic libraries across the UK.

**Ask us about:**

- Higher Education Scanning Service (HESS), which allows holders of a CLA HE photocopying and Trial Scanning Licence to order material for electronic course packs from the British Library
- EThOS, our open access UK theses database
- FileOpen, our new electronic delivery tool
- Our subscription model, offering service benefits including capped transactional rates until August 2011.

### The IET

**Stand:** 11

**Contact:** Diane Richards

**Email:** [drichards@theiet.org](mailto:drichards@theiet.org)

**Website:** <http://www.theiet.org>

The Institution of Engineering and Technology (IET) has more than 150,000 members worldwide. It is the largest professional engineering society in Europe and the second largest of its type in the world. Its publishing activities produce a wide variety of journals, books and conference proceedings. The IET also produces Inspec which is the leading English-

language bibliographic information database providing access to the world's scientific and technical literature in physics, electrical engineering, electronics, communications, control engineering, computers, computing, information technology, manufacturing, production and mechanical engineering. New for 2010 – Inspec introduces IPC codes.

### Thieme Publishing Group

**Stand:** 47

**Contact:** Uwe Stehle

**Email:** Uwe.Stehle@thieme.de

**Website:** <http://www.thieme-connect.com>

Thieme Publishing Group, based in Germany, is a privately held, medical and scientific publishing company. For more than 120 years, Thieme's high-quality books and journals have been a vital resource for scientists, physicians, researchers and academics. Thieme publishes over 100 peer-reviewed journals and over 500 new books annually. Please visit [www.thieme-connect.com](http://www.thieme-connect.com) to get connected to the electronic products. Thieme-connect combines all of Thieme's online products and resources together beneath one intuitive interface giving access to Thieme eJournals, E-Textbooks, and Reference Works such as Science of Synthesis and Pharmaceutical Substances through one entryway including a federated search engine.

### Thomson Reuters

**Stand:** 63

**Contact:** Tracy Golding

**Email:** [tracy.golding@thomsonreuters.com](mailto:tracy.golding@thomsonreuters.com)

**Website:** [www.science.thomsonreuters.com](http://www.science.thomsonreuters.com)

Thomson Reuters is the world's leading source of intelligent information for businesses and professionals.

Intelligent information is a unique synthesis of human intelligence, industry expertise and innovative technology that provides decision-makers with the knowledge to act, enabling them to make better decisions faster. Through its 50,000 people operating in over 100 countries, Thomson Reuters delivers must-have insight to the financial, legal, tax and accounting, scientific, healthcare and media markets, and is powered by the world's most trusted news organization.

Our scientific and scholarly research solutions provide powerful tools to accelerate research, discovery, and innovation. Researchers, administrators, faculty, and students can quickly access meaningful information at every stage of their workflow — increasing productivity and maximizing your institution's intellectual assets.

### Turpin Distribution Services Ltd

**Stand:** 45

**Contact:** Neil Castle

**Email:** [neil.castle@turpin-distribution.com](mailto:neil.castle@turpin-distribution.com)

**Website:** [www.turpin-distribution.com](http://www.turpin-distribution.com)

Turpin Distribution has been providing publishers with professional international fulfilment and distribution services for over 40 years.

We provide a bespoke range of services to over 50 publishers, including learned societies. Services include:

- Global fulfilment and distribution
- UK and US offices with multilingual customer care advisors
- Order and renewals processing
- Billing and account collection
- Comprehensive warehouse services
- Full subscription management for print and online journals with e-commerce ordering
- Extensive online sales reporting with data manipulation for analysis and customer management.

We would be delighted to discuss your requirements on our stand.

### van de Bilt Sales & Marketing
